

Linweld Hangar

Up, Up and Away

When Linweld needed a new home for its corporate airplane, they chose Ayars & Ayars, Inc. Our scopes of work on this design-build project included: foundations, metal building erection, concrete flat work, and interior finishes. Building amenities include rest rooms, conference room and a fire suppression system.

Project Details

- Lincoln, Nebraska
- 4,500 sf
- Pre-Engineered Metal Building
- Project Completion: 1999
- Linweld: The Midwest's leading manufacturer/distributor of medical, specialty and industrial gases.
