Barnet & Ramel

A Company with Vision

Ayars & Ayars, Inc. was selected by Barnet & Ramel to create additional manufacturing space to expedite the addition of an advanced computer system. The new addition allowed the owner to establish a completely integrated optical production line; grinding and coating lenses to the exact standards ordered by optometrists around the country.

Project Details

- Omaha, Nebraska
- 2,125 sf
- Masonry
- Project Completion: 2005
- Barnet & Ramel provides quality prescription eye wear and services to the optical industry.
