## Great Plains Auto Body

### *Make It All Better*

Ayars & Ayars, Inc. was pleased to be selected as design-builder of Great Plains Auto Body's second location. Finished in the company's signature red and white color scheme, the facility features a state-of-the-art paint booth, 8 vehicle repair bays, offices and a customer lounge. Our scopes of work on this pre-engineered metal building included: foundations, steel erection, concrete flat work, interior finishes, MEP, paving and landscaping.

### Project Details

- Council Bluffs, Iowa
- 9,835 sf
- Pre-Engineered Metal Building
- Project Completion: 2005
- Great Plains Auto Body is Nebraska and Iowa's oldest certified Mercedes-Benz collision center.
