

Educational

Mirror Lakes Elementary School

Educational Creation

Our first tilt-up school project was in Lehigh, Florida. A Con/Steel Alliance member requested Ayars & Ayars, Inc. assistance with this new classroom building. Our scopes of work included wall panel layout/forming, pouring wall panels and panel/steel erection.

Project Details

➤ Lehigh, Florida

➤ 11,400 sf

➤ Tilt-Up Concrete

➤ Project Completion: 2006

➤ The School District of Lee County is the ninth-largest district in Florida and one of the nation's 50 largest districts.
