

Nebraska Evangelical Lutheran School

Sizing Up the School

To accommodate a rapidly growing student population, Nebraska Evangelical Lutheran School faced a major facility upgrade; this addition more than triples the square footage of the original building. Amenities created in the new addition include; classrooms, enhanced library/media center, science labs, computer learning center, administrative offices. A music suite features group practice facilities, private practice labs and a music library. The new gym features a stage, locker rooms, training room, weight room and concession stand.
