

# Husqvarna Turf Care

## Ground Breaking

Highlighting our construction and scheduling capabilities, this 275,000 sf tilt-up facility was fully operational nine months after ground-breaking. Design-build facilitated the erection of the building's shell while final interior layouts were still in progress. Ayars & Ayars, Inc's reputation for self-performance in all critical phases of construction assures quality workmanship regardless of the project's schedule.

## Project Details

➤ Beatrice, Nebraska
