Eddy's Convenience Store

Special Features

A new chain of convenience stores has sprung up in the metro area. We are pleased to be selected as design-builder for the first of what the ownership of Eddy's Convenience Stores believes will be several locations. Among the facilities many features are a car wash and the distinctive, hand painted mural at main entrance.

Project Details

- Council Bluffs, Iowa
- 6,128 sf
- Pre-Engineered Metal Building
- Project Completion: 2002
- The first Council Bluffs location for the rapidly growing convenience store chain.
