

Retail

Kush Plaza

Building an Empire

Our work at Kush Plaza began in 1997 with a renovation of an existing facility. As the Kush empire expanded, Ayars & Ayars, Inc. was chosen to erect a new warehouse, renovate spaces for additional retail outlets and an eating establishment and creation of a children's furniture outlet. We were also responsible for project infrastructure, topographic improvements and parking space.

Project Details

- Omaha, Nebraska
- 100,000 sf
- Pre- Engineered Metal Building
- Project Completion: 2002
