

Retail

Northview Centre

Building Beauty

This project utilized a blighted designation to create new retail opportunities for area merchants. The architectural canopy utilizes EIFS, masonry and architectural roof panels to create a lighted, protective overhang. Our scopes of work included: site development, foundations, steel erection, exterior finishes and paving. Ayars & Ayars, Inc. was awarded an "Excellence In Construction" designation from Associated Builders & Contractors for our efforts on this project.

Project Details

- Lincoln, Nebraska
- 16,200 sf
- Pre-Engineered Metal Building
- Project Completion: 1998
- Designed It - Built It:
Ayars & Ayars, Inc.
