## Shadow Lakes Towne Center

### *Tilt-Up and Away*

Part of a new retail development on Highway 370 just south of Omaha, this tilt-up concrete structure is home to a new Gordmans. Tilt-up buildings combine versatility and durability making them an increasingly popular option with retail developers. As the pictures show, our crews worked through record-setting cold to keep the project on schedule. For Ayars & Ayars, Inc. construction season never ends.
