

Tenant Finish

Digital IMS

Work Space

Ayars & Ayars, Inc. is pleased to submit another example of our partnership with the University of Nebraska. Digital IMS' new home inside 1 Technology Place, our design-build facility on the Tech Park campus, demonstrates the versatility of tilt-up construction with regard to tenant finishes. Our customer driven construction solution for Digital IMS used simple, high impact materials to produce bright, new-age finishes that reflect the company's mission.
