

Tenant Finish

## Nebraska Occupational Health Center North

### Finishing Touches

Ayars & Ayars, Inc. was pleased to be selected design-builder of Nebraska Occupational Health Center's new home. Located in our award winning Northview Centre project, our scopes of work included: framing, wall coverings, floor coverings, paint, doors and hardware, finish carpentry and equipment installation. Through the years, we have returned to Nebraska Occupational Health to renovate, enlarge and modernize the facility. We are proud of the number of clients with which we have completed multiple projects - Nebraska Occupational Health Center is a prime example.
