

Tenant Finish

Pinnacle Wealth Management

Expanding

The goal of this project was to create a “home” for Pinnacle Wealth Management, the personal investment branch of Pinnacle Bank. Our scopes of work included demolition, framing, wall coverings, ceilings, floor coverings, paint, finish carpentry and furnishings. A challenge overcome on this project was scheduling construction activities around bank activities. We are pleased to state that this project was delivered “on time and budget” with the same quality of service that Pinnacle Wealth Management extends to their customers.
