

# Burwell Skilled Nursing Facility

## Comfortable Living

Ayars & Ayars, Inc. has partnered up to complete another project with a repeat customer. After choosing Ayars & Ayars, Inc. to build a nursing facility in Aurora NE, they decided to also move forward on a similar project in Burwell, NE. This facility will provide a much needed service for Assisted Living, and Skilled Nursing Care with Memory Care in the Burwell area. We will provide a safe and quality building to the residents by crafting a comfortable and inviting area for everyone who enters the front door. This 74 bed facility will have all the great amenities needed to live an exceptional lifestyle including spacious resident rooms, dining areas, physical therapy space, and a beauty shop.
