

Gables Memory Care

Up and At Em'

Ayars & Ayars, Inc. is excited to announce that we will be working with The Gables of Overland Park to construct an addition of 11,760 sq. ft. that will be attached to their existing facility. Prior to the building process, the existing parking lot will need to be relocated. Once this project is completed it will include 18 new resident living quarters, a conference room, along with a living and dining area big enough to accommodate all of the residents at The Gables of Overland Park.
