

Tenant Finish

## Makovicka Physical Therapy 70th and O St.

### Better Bodies for the Future

Makovicka Physical Therapy currently has ten locations in the Lincoln and Omaha, Nebraska area. After Ayars & Ayars, Inc. completed Makovicka's most recent tenant finish project at 48ROCK in Lincoln, there was no question who would be at the top of the list to call when it was time to open another office. Our crews are currently working to complete the company's 11th location at 70th & O St. in Lincoln. This 2,000 sq. ft. tenant finish will be complete with treatment rooms, a reception and waiting area, office space to maximize organization, and an open exercise area for patients to utilize.
