Rasmussen Mechanical Services Office Renovation

In With the New

Ayars & Ayars, Inc. is currently collaborating with one of their many repeat customers to complete a 30,000 sq. ft. interior renovation for Rasmussen Mechanical in Council Bluffs, Iowa. This renovation features 23 offices, two conference rooms, a training area, and a new entryway and vestibule to create a great first impression. Our scope of work includes concrete, carpentry, electrical and finishes.
