River Heights Vineyard Church Parking Lot

Add It On!

Ayars & Ayars, Inc. and River Heights Vineyard Church have teamed up once again. This time to add 14,000 sq ft of parking space on to River Heights Vineyard existing lot. This expansion was a necessity due to increased numbers of parishioners within the past couple years. Our scope of work includes site work, furnishing and installation of concrete, and electrical. We are proud of our large number of clients with whom we have completed multiple projects – River Heights Vineyard Church is a prime example.
