Hickman True Value

A New Space

Ayars & Ayars is always committed to providing the highest quality of work from start to finish, which is why True Value chose us to erect their new 9,607 sq. ft. building in Hickman, NE. The Butler® Pre-Engineered Metal Building will include 29 storefront windows, an illuminated sign and stone veneer to provide an aesthetically pleasing look to the front of the building. The new facility will include a generous amount of retail space, two bathrooms, storage space, and an office.
