

WSM Remodel

New Looks

Ayars & Ayars, Inc. is excited to announce that we have been selected to provide design, project management and construction services for a remodel to WSM's existing store front/office in Omaha, Nebraska. The remodel will start with demolition of floor coverings and ceiling tiles while renovating the existing restrooms. We will install new lighting in the existing building and paint interior and exterior walls. We will then add new exterior windows to give a updated look to the front of the building.
