Dear Mike:

It was a big step for us to go from having a kiosk in the middle of the floor of a shopping center to having our own inline store. I am pleased to write this letter of recognition and thanks for all the work Ayars & Ayars, Inc. did to help us achieve this dream.

I would especially like to thank project manager Brad Stellantin and site superintendent Chad Garrett. Their knowledge of construction and personal attention to our concerns allowed us to focus on opening our business instead of worrying about project details.

Even though this was not a large job; Brad, Chad, and the rest of your staff treated us as if we were your largest client. As we were trying to open our new store in conjunction with the grand re-opening of Westfield Gateway mall, we were happy to see that Ayars & Ayars, Inc. shared our vision of a quality project, built to our standards, done on time and on budget.

Sincerely,

A handwritten signature in dark ink, appearing to read "Michael D. Woodman". The signature is fluid and cursive.
