

Industrial

Cook's Ham, Inc.

New Blast Freezer Door and Hardware

Hickory Smoked Goodness

Special Projects Group is pleased to be Cook's Ham, Inc's preferred provider for facility maintenance and renovations. Our scopes of work have included: concrete floor repairs, cast-in-place concrete walls, door and hardware installation, wall panel installation, masonry, demolition, modifications and re-configurations. To minimize production interruptions, the majority of our projects are completed during "off" hours or during weekends and holidays.
