

Warehouse

## Nestlé Purina Pet Care Warehouse Expansion

### Pet Food Paradise

Facilitating improvements to the warehousing and shipping departments of Nestlé Purina Pet Care was the goal of this pre-engineered building addition. The structure features 20 loading docks designed to increase the number of product shipments while easing truck traffic congestion around the plant. Additionally, space was created for facility maintenance offices as well as a full sized trailer wash bay. Construction started in November 2007 and completed in July of 2008.

### Project Details

- Location:  
Crete, Nebraska
- Size:  
148,000 sq. ft.
- Type of Construction:  
Pre-Engineered Metal Building
- Project Completion:  
2008
- Nestlé Purina provides a wide range of pet care products to help provide your pet with the care and nutrition they need.
