### Updating Technology

Ayars & Ayars, Inc. was selected design/builder of Computer Services, Inc's new home.

Highlighting the abilities of our tilt-up concrete crew and our prowess in interior finish, CSI's new facility is located in 1 Technology Place, a tilt-up facility we created for the University of Nebraska. Among the amenities CSI now enjoys are: offices, temperature regulated environments for CSI's complex computer network, break room and conference rooms.
