North 32nd Warehouse

Space Available

Ayars & Ayars, Inc. and Greenleaf Properties together answered the call for more warehouse space in Lincoln! This Butler pre-engineered building will provide over 18,000 sq. ft. of warehousing space. A mirrored floor plan will enable this building to easily accommodate up to two users, each with a dock and drive-in access. Other features include 20' of clear height without interior columns, providing more space for storage.
