

Recreational

Pinnacle Bank Arena Concrete Placement

Ice, Ice Baby

Ayars and Ayars, Inc. was pleased to be part of the team that built one of the largest projects in the Lincoln's recent history - the Pinnacle Bank Arena. Highlighting the abilities of our concrete crew, our scope of work focused on placing the ice rink. The monolithic pour began at 6:00 am and finishing operations were completed by 10:30 pm - a long day to be sure, but well worth the effort.
