

# Haymarket Clock

## How Times Have Changed

Our Special Projects Group was pleased to enhance the ambiance in Lincoln's Historic Haymarket by installing this clock. Ayars & Ayars, Inc. created Special Projects Group (SPG) to be a rapid response team; specializing in building improvements, facility maintenance and projects of smaller scope. Contact us to discuss how your bottom line will benefit from SPG's ability to enhance your business. We go the extra mile to provide you a total solution, accepting accountability and delivering responsive service, every step of the way.
