

## Hughes Brothers Packaging and Fiberglass Assembly Building

### Full Power

Ayars & Ayars, Inc. was pleased to be selected construction manager for our third major addition to the Hughes Brothers facility. Our steel erection crew was also selected to erect the pre-engineered building. Through the years our Special Projects Group has completed numerous repairs, modifications and renovations throughout the Seward campus. We are proud of our large number of clients with whom we have completed multiple projects – Hughes Brothers is a prime example.
