Source Eat Fit

A Healthy Update

Highlighting the abilities of Ayars & Ayars, Inc's Special Projects Group, the goal of this project was to remodel this space into what is now a healthy foods store. Scopes of work included: Furnishing and installing walls, flooring, cabinets and counter tops, lighting, and painting walls. The installation of an owner supplied cooler was also included in this update. Special Projects Group was created to be a single source, rapid response team specializing in facility renovations and improvements.

Project Details

Location:
Lincoln, Nebraska

Size:
1,337 sq. ft.

Type of Construction:
Interior Remodel

Project Completion:
Spring 2016

A convenient way to eat fit quickly and every day, especially when we don't have time to cook or grocery shop.
