

Tenant Finish

Makovicka Physical Therapy

Healing Up!

Ayars & Ayars Inc. was happy to finally welcome their new neighbors, Makovicka Physical Therapy, and help them settle into their new home. This tenant finish consisted of a complete revamp of the entire space. What once was a yogurt shop, is now a physical therapy office where patients can go to begin the process of healing. This office now includes treatment and exam rooms, a waiting room, and an open exercise area for patients to utilize.
