## Falls City Elks Lodge #963

### A New Chapter

Wanting to bring to new life a modern redesigned interior the Falls City Elk Lodge asked Ayars & Ayars, Inc. to restore the first floor of their 100 year old building. Ayars & Ayars, Inc. stripped the first floor down to the studs to revamp the electrical and make sure that the Falls City Elks Lodge was brought up to code; along with making the lodge ADA accessible. To keep a sense of familiarity and family that is true to the Falls City Elk Lodge, Ayars & Ayars, Inc. brought in sub contractors that were either members of the Elks Lodge or the surrounding areas.
