Monsanto - Lubbock

More and Better

Another example of our long-standing relationship with Monsanto; this research facility's focus is cotton. Highlighting Ayars & Ayars tilt-up capabilities, our scopes of work on this design-build project included: site development, foundations, concrete flatwork, tilt up erection, steel erection, interior finishes, MEP, paving and landscaping. Owners across the country benefit from the design flexibility, durability and sustainability tilt-up construction delivers.

Project Details
