

Tenant Finish

IRET Woodridge Apartments Unit Renovation

Living in Style

Ayars & Ayars, Inc. has partnered with Woodridge Apartments in Rochester, MN to complete a unit renovation project on their existing facility. Each unit will be finished with iced white quartz countertops, a new white glossy ceramic tile backsplash and undermounted sinks in each of the kitchens. Tenants will enjoy ample opportunity for organization in their closet and storage areas after our crews install new shelving. Additionally, updated mirrors in each bathroom will create a fresh new feel within each of the units.
